Appointment of the 13th Principal of St. Paul's College

The College Council is pleased to announce the appointment of Mr. Mak Chi Ho, Michael as the 13th Principal of St. Paul's College, with effect from 1st September, 2025. Mr. Mak, currently serving as Headmaster of our Primary School for the past nine years and as Vice-Principal of the College for ten years, brings over 33 years of dedicated service to St. Paul's College family. His exceptional experience, innovative vision and genuine care for others have earned him the respect and admiration of both students and staff.

During his distinguished tenure as Headmaster, Mr. Mak has fortified the synergy between the College and the Primary School, ensuring a seamless academic progression for students. His transformative leadership has been instrumental in advancing the Primary School's curriculum, exemplified by the enrichment of its trans-disciplinary framework and the enhancement of STREAM programmes. Furthermore, he has significantly broadened opportunities for students beyond the classroom, cultivating a holistic educational experience that aligns with the prestigious standards of St. Paul's College.

We warmly welcome Mr. Mak to this esteemed role and are confident that under his guidance, St. Paul's College is poised to embrace a promising future, nurturing young men to excel in tomorrow's world while preserving its proud legacy of excellence in education.

On behalf of the College Council, we extend our heartfelt gratitude and whole-hearted appreciation to Mr. Yuen Dick Yan, Dennis for his 32 years of exemplary service at the College, including eleven years as Head of English Department and a remarkable decade as Principal of the College. Mr. Yuen is a forward-thinking educator who always prioritizes the needs of students. Under his pioneering leadership, the College has seen tremendous growth and success. Apart from fostering sustainability in education, he has reshaped the curriculum by launching the International A-Levels programme and a research-based "Common Core" subject in the senior forms. He is also instrumental in developing a distinctive values education framework for the College incorporating Christian values into the twelve priority values promoted by the Education Bureau.

The College community is grateful to his stewardship in helping the College to navigate all the unprecedented challenges successfully, enacting decisive actions and innovative measures. As Mr. Yuen steps into retirement, we celebrate his charismatic presence and unwavering commitment in fostering an enriching, inclusive and academically rigorous environment for students to thrive and in strengthening a sense of belonging within the St. Paul's College community.

Cheng Cheuk Sang, Arnold (Dr.)
Council Chairman
